**PRODUCT DESCRIPTION**

Inspired by beloved silhouettes that first defined the Kismet House aesthetic, this collection returns with greater presence and refined intention. A more substantial frame in Antique Bronze, Polished Nickel, or Weathered Brass anchors the design, while larger-scale fabric shades introduce softness, depth, and dramatic proportion. Choose an oversized Off-White linen shade or pleated floral patterns in Olive or Soft Blue, plus a scalloped gingham in Rustic Beige. The result feels both familiar and renewed, where tailored structure meets expressive materiality.
