PRODUCT DESCRIPTION

Celebrating the beauty of nature through sculptural, biophilic design. Delicate leafy forms rise in graceful motion, supporting spiraling clear ribbed glass globes that encase the light in luminous movement. Inspired by the romantic swirl of Italian glassworks, each piece feels both organic and artful. Finished in hand-applied gold leaf, Firenze brings warmth, texture, and botanical elegance to chandeliers, pendants, semi-flush mounts, and sconces, transforming spaces with a graceful balance of artistry and light.
