PRODUCT DESCRIPTION

Layers of hand-applied gold leaf teardrop panels cascade in luminous tiers, creating a silhouette inspired by the pageantry and ornament of royal military regalia. Suspended from refined square-link chain, sculptural frames circle the light source within, adding depth, movement, and a sense of quiet grandeur. The interplay of layered metal and warm illumination creates an elegant rhythm of shadow and glow. Offered in multiple chandelier forms, a linear chandelier, and two scales of wall sconces, the collection brings dramatic presence and timeless sophistication to interiors.
