Valdi - 49663-SB-LED

3 Arm LED Wall Sconce

Finish: Satin Brass

The Valdi series draws inspiration from conventional lighting design and then presents an update on the ordinary. Full of romance, this well-rounded series uses polished nickel or satin brass along with tubular glass to diffuse the light from the integrated LED light sources. The curvature created by the Valdi series gives the illusion of upward movement.

- 12 Watt LED light source (included)
