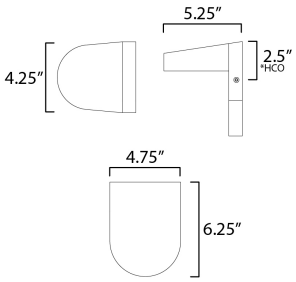
PRODUCT DESCRIPTION

Simple in design, this architectural outdoor sconce is designed with an extension at the top to cast light directly downward where needed. The LED light source is concealed within the top of the frame making this a great choice for Dark Sky applications. There is an option to purchase the black model with photocell included for convenient automated light control. In addition to the Black finish, the sconces are available in Architectural Bronze and White.



*Height from center of outlet to the top of the fixture
