PRODUCT DESCRIPTION

Julip brings a sense of nostalgia to the bath through softly traditional forms refined for today's interiors. Clear ribbed bell-shaped glass shades create sparkling texture and beautifully diffuse illumination, while the streamlined metalwork offers a lighter, more tailored interpretation of classic design. Decorative details at the socket add a subtle heritage influence without feeling ornate, striking a balance between timeless character and everyday versatility. Available in Satin Nickel, Dark Bronze, and Natural Aged Brass, Julip complements a wide range of transitional, farmhouse, and traditional spaces.
