Water Drop Design

KINGLUMI CO.,LTD.

What's NEW?

CREE COB

SDCM<3, high light consistency
90lm/W, 50% Energy Saving
CRI 95 available

CAMETA LENS

High transparency
Even light
Protect human's eye

Rich Accessories

Achieve various light effects+
Low UGR+wall washer etc.
with 5 kinds of lamp rings

Patented water-drop design

Uniqueness protected by
patented design

Self-cleaning technology, no
maintenance cost

SHARP TIGER

2000-3000K color range
CRI 90+

How will water-drop serve you?

Precise and variable accent lighting in the shop and retail sector.

- Dimming: Triac dimming or non-dimming
- CAMETA anti-glare solution
- High efficacy: >90lm/W, A+ Energy Class
- Integral driver design, isolated circuit, High PF 0.95
- Passive cooling achieved by innovative thermal design
- Metal Halide replacement: from 20W-70W
- Instant start, environment friendly
- Special chips for Bakery, Clothing, Fresh and Museum etc.
- Rich accessories to create different lighting effect.

Parameters

Wattage	Input Voltage	CCT	Lumen Output	Efficacy	CRI	Power Factor	Beam angle	Dimmable
10W	110-130V	3000K	850	85 lm/w	82	0.95	24°,38°,60°	Yes
15W	110-130V	3000K	1300	87 lm/w	82	0.95	15°,24°,38°,60°	Yes
22W	110-130V	3000K	2000	90 lm/w	82	0.95	15°,24°,38°,60°	Yes
35W	110-130V	3000K	3100	90 lm/w	82	0.95	24°,40°,60°	Yes
38W	110-130V	3000K	3600	95 lm/w	82	0.95	24°,40°,60°	Yes

- 2700K/4000K/5000K and High CRI90+ available
- White/Black/Silver finish color available

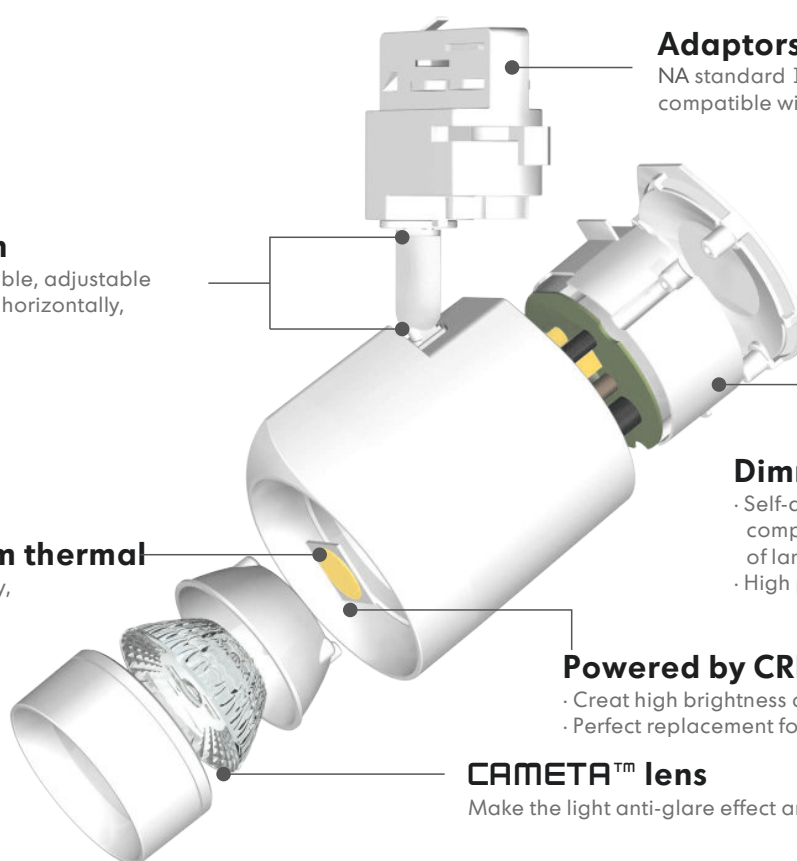

Diagram of unique Water-drop LED track light

Unique design

Invisible and fashionable, adjustable
beam direction, 350° horizontally,
90° vertically.

New aluminum thermal

High heat conductivity,
Tc 63°C @Ta 25°C

Adaptors for choice

NA standard 1 circuit adaptor is universal,
compatible with Halo, Juno, Lightolier, Global etc.

Dimmable Driver

- Self-design built in driver with branded
components, guarantee long lifespan
of lamp.
- High power factor over 0.95

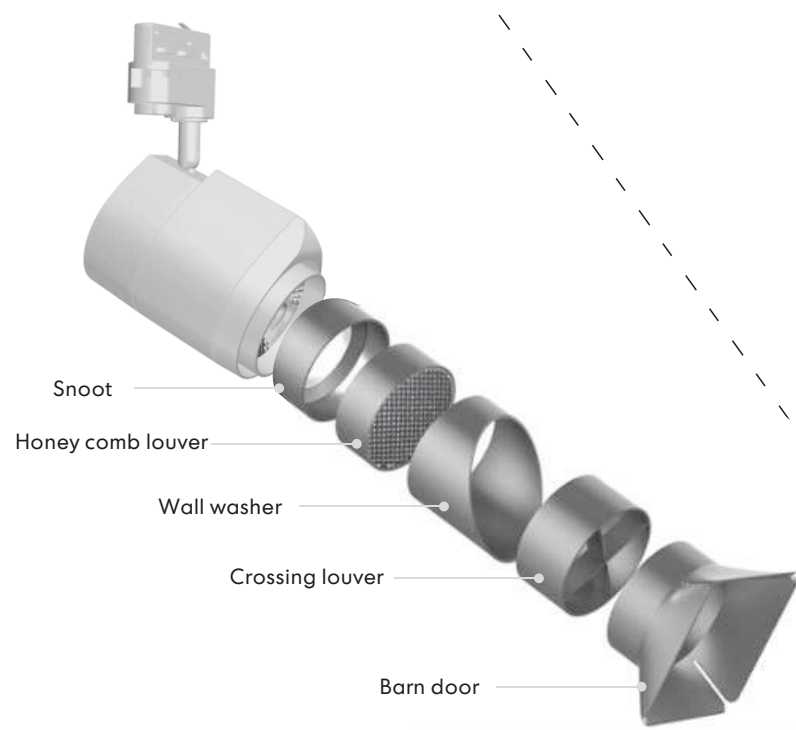

Powered by CREE COB

- Create high brightness and high CRI95,
- Perfect replacement for 20W/35W CDM.

CAMETA™ lens

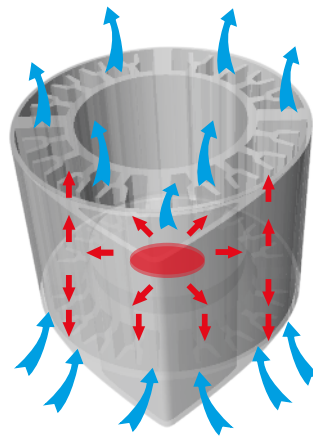

Make the light anti-glare effect and healthy.
