Clifton Heights

Popular from turn-of-the-century through the 1930's, this artistic style continues to see renewed popularity due to its clean, simple and honest designs. Clifton Heights' Brushed Nickel one-light close-to-ceiling features unique arching linear arms which support square etched glass to provide a softly diffused lighting effect. The Clifton Heights Collection creates a modern interpretation of two blended styles: Craftsman and Mission.

- Brushed Nickel finish.
- Unique arching linear arms.
- Square etched glass.
- Subtle designs create a softly diffused lighting effect.
