Inspired by modern geometric designs and contrasting elements, this bohemian-style flush mount is an attention-grabber for all the right reasons. Geometric shapes form from the brushed nickel frame. Glass panels create a shade that holds an industrial light base inside.

- Glass panels create a shade that holds an industrial light base inside.
- Geometric shapes form from the brushed nickel frame.
- Inspired by modern geometric designs and contrasting elements, this bohemian-style flush mount is an attention-grabber for all the right reasons.
