DESCRIPTION

A handsome tower-styled fixture provides a soft glow and refined aesthetic that is pleasing to the eyes. Perfect for illuminating modern exterior and interior spaces, the LED luminaire offers versatility in a clean, contemporary look. This versatile sconce is constructed with die-cast aluminum for durability and quality while providing ambient and down lighting through its smooth, curvaceous acrylic diffuser. Customize the color temperature of your light from 2700K warm white to 5000K cool white.

FEATURES

- 5-CCT Switchable between 2700K and 5000K
- Multiple LED array for uniform illumination
- ACLED driverless technology
- 5 year warranty
