Available in six gang sizes, adorne wall plates provide the perfect complement to adorne switches, dimmers, outlets and accessories. The collection includes a variety of finishes, from cast metals like Satin Nickel and Oil-Rubbed Bronze to real materials such as linen and wood. In addition, the collection includes a full offering of plastic plates in contemporary and classic colors, as well as three innovative Soft Touch finishes. Each wall plate is packaged with a mounting frame to enable easy installation when paired with a device. All plates are screwless and simply snap onto the included metal frame. See page 40 for more information on the adorne frame system.

All adorne wall plates are UL and ETL-approved. 5- and 6-Gang wall plates are not available in all colors.
