

**PRODUCT DESCRIPTION**

Taking the standard fan to the next level, Fandelights such as this one house a Wifi-enabled fan within a decorative chandelier frame. This transitional look features a minimalistic frame finished in your choice of Matte Black or Satin Nickel and a downward directed ring of LED illumination. The Wi-Fi enabled functions control the light intensity, color temperature, and speed of the fan. They can be operated by the remote provided or popular Smart Home applications from your phone or other electronic device.
