

### Description

Low profile LED down wall scone which can be used indoor or outdoor, follow your inclinations, adjust the light you like

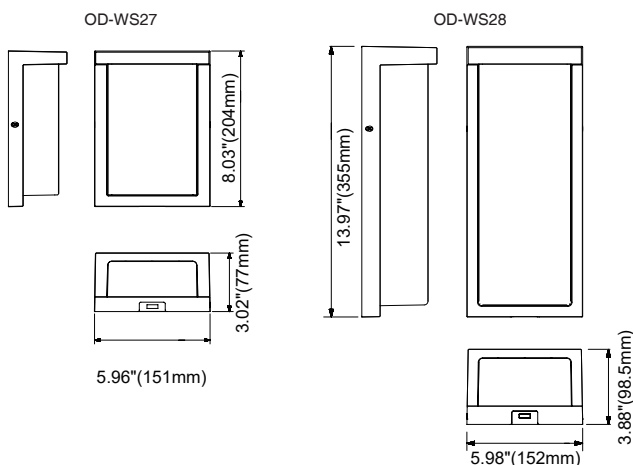

### Features

- A box of UV-rated acrylic is constructed of precise miter cut corners and silk screened white on its interior to form a tower of evenly distributed LED illumination.
- The LED light source is completely sealed and provides softer omnidirectional illumination to add security and sufficiently brighten spaces.
- The die cast aluminum frame is finished in a black
- Outdoor rated powder coat for longer lasting color in outdoor settings.
