Description

Piper

Sleek and modern, the Piper exudes refined elegance in any contemporary space. Its ultra-thin circular profile, finished in smooth Champagne Gold and Matte Black, creates a striking, weightless appearance. The integrated LED panel provides even, glare-free illumination, making it ideal over kitchen islands, dining tables, workspaces, or minimalist living areas. Combining architectural simplicity with high-performance lighting, Piper is a versatile statement piece that works beautifully as either a pendant or semi-flush fixture.

*Features a 5CCT push-button to adjust the 5 selectable colour temperature

CX38812CG
