

Flush Mounts

Description

Felicity

Modern style with soft, seamless illumination. The Felicity LED flush-mount ceiling light brings contemporary elegance to any room. Its bold finishes are complemented by a crystal-clear acrylic edge, creating a striking yet refined contrast. The wide opal diffuser ensures smooth, even light, while energy-efficient design and durable construction provide lasting performance, blending style and practicality effortlessly.

*Features a 5CCT switch on the LED module to adjust the 5 selectable colour temperature
