

VANITY

Description

Saber

Sleek, modern, and effortlessly refined, the Saber elongated wall sconce features a softly curved diffuser—available in Matte Black with Smoke Frosted Glass or Matte White with White Frosted Glass—that casts a warm, even glow along its vertical form. Clean metal accents secure the minimalist shade, creating a subtle interplay of light, shadow, and metallic detail.

*Features a 5CCT switch on the LED module to adjust the 5 selectable colour temperature
