

PRODUCT DESCRIPTION

Allegra pairs sculptural form with an easy sense of refinement. Its scalloped metal drum shades create a rhythmic silhouette that feels architectural yet soft, giving the collection a strong presence without heaviness. Available in multiple pendant sizes, an ADA-compliant wall sconce, and a versatile semi-flush mount, Allegra is designed to work across a wide range of interiors. Finish options include Weathered Brass for a warm, timeworn richness and Gunmetal for a darker, more contemporary expression.
