PRODUCT DESCRIPTION

Celeste brings an ethereal glow to outdoor architecture through luminous cast glass and quiet modern framing. A clear and white swirl glass panel appears almost celestial when illuminated, revealing soft monvement, layered texture, and atmospheric depth. Set within a non-corrosive aluminum frame in Matte Black, the design balances artistry with durability for exterior spaces. Select from 5 color temperatures that range from a warm 2700K to a bright 5000K. Wet rated and offered in 16" and 24" heights, Celeste creates a refined statement for entries, patios, corridors, and modern facades.
